**INVITATION TO PARTICIPATE IN AN SDEWES 2015 SPECIAL SESSION OF  
INVITED PAPERS**

**Dear Smart City Expert,**

On behalf of the organizing committee of the 10<sup>th</sup> Conference on Sustainable Development of Energy, Water and Environment Systems scheduled for September 2015 it is our honour and pleasure to invite you to participate in a special technical session of invited papers within the

**Special Session SMART CITIES**

**Prof. Hans Schnitzer** from the University of Technology and the CityLab in Graz is organizing and will chair the session.

The Session will deal with all aspects of a smart, sustainable development of Cities, especially with questions of mobility, energy, environment, urban planning, economy and citizen involvement. We will deal with technologies, but much more with systems and multi-disciplinary challenges.

We hope you will accept the invitation. If so, please submit a detailed abstract, including title, authors and their affiliations, emails and addresses, to the

Special Session organizer Hans Schnitzer

by e-mail:

[hans.schnitzer@tugraz.at](mailto:hans.schnitzer@tugraz.at)

for pre-screening, by December 15, 2014.

If it will be found compatible with the Session topic, you will be provided with instructions how to upload it to the Conference web site. For the deadlines for submitting the full paper please visit:

<http://www.dubrovnik2015.sdewes.org/dates.php> .

As an invited paper, we would recommend it for publication consideration in the international journals associated with this conference: <http://www.sdewes.org/journals.php>, but in order to be invited the full paper will have to pass the review and you will have to observe the dates for archival papers.

OF ENERGY, WATER AND ENVIRONMENT SYSTEMS**

Dubrovnik, September 2015

The financial objective of the conference is to break-even and as such the organizers regretfully cannot offer you any reduction in the registration fees. We trust that you will understand the situation and that this will not deter you from participating in the technical session. For more detailed information on the conference please consult the website stated below.

Yours sincerely
